“Upon my arrival, I met with Rachel Stevenson and she welcomed me on behalf of...the hotel. When Rachel took me to the conference rooms everything was set-up perfectly according to our request. I needed to make a couple of changes and Rachel made sure I had assistance. Rachel was professional, friendly, and showed sincere interest in my conference room needs, as well as, making sure I was satisfied with my guest room. During the program the conference room staff made sure I had everything I needed. The staff, including the AV gentleman, was friendly and helpful. I recommended this location to my Company/Project Manager for future programs. I appreciate all of you. Excellent in all ratings. tables.”

“Having just completed our annual conference event hosted at Wyndham Orlando Resort, we couldn't be happier with the absolutely wonderful time we had this past week at your facility. Everything was just fabulous. I should have known I need not expect less during the pre-planning stage - Betty Ann... [was] just wonderfully flexible and accommodating with the surprisingly high attendance we had and all the last minute changes that caused. During the event itself, not only was the facility beautiful and clean, each and every staff member we encountered were consummate professionals - most especially the [banquet team] who went above and beyond to make our catered events wonderful, and everything we pre-arranged was perfectly executed to the smallest detail. Really, really great experience for those of us organizing and managing it, and for all of our attendees. I manage these conferences each year at hotels around the country and this one was by far the best for us in terms of smooth sailing - no hiccups or issues of any kind, just a breeze! Thank you so much..”

“Our event at Wyndham was a big success with the care and service the staff provided us. Sylma, Rachel, and Gary were especially instrumental in the planning and setup of our banquet. This was our second event held at this Wyndham location and we appreciate the smooth service and prompt responses from the staff. Thank you all, and please extend our thanks to your staff!”

“The absolute BEST party the company has had in YEARS! Everyone was pleased with the presentation of the ballroom and food and could not stop talking about how amazing it all was. We will definitely be booking with Wyndham for our next corporate event!”
